## Forward

The deluge of letters of praise and appreciation after the release of my last three books (1) "Beginner's Guide" {Telugu} (2) "Opening vistas for Clinical Practice" and (3) "Essence of Each Drug in materia medica" all from the famous B. Jain Publishers, has acted like a tonic on my sagging energy. Add to it, the blessings of poojya Sri Sri Sri Tri Dandi Chinnajeer Swamiji and his appreciation of Homoeopathy as a divine medical science, further strengthened my confidence and the result is the present book "Most valuable tips from masters of Homoeopathy ." From , innumerable magazines foreign and Indian and from various materia medica of all famous authors, I have been gathered these tips and presented them, for easy reference, with the names of the disease for which the tips are meant. I am sure my intention of making it useful for busy practitioners and at the same time make it enjoyable reading will be fulfilled.

I offer my sincere thanks to my publishers for their cooperation and my gratitude to the homoeopathic fraternity for the love and affection showered on me.

Ever in service of Homoeopaths Dr.
