

Information on booking the airport shuttle service Basel/Mulhouse – Bad Krozingen

The airport shuttle service from Basle/Mulhouse airport to Bad Krozingen costs:

Per vehicle PER TRANSFER (standard transfer):

1 person	one way	€45 / € 60 p.p.	return
2 people	one way	€ 30 / € 50 p.p.	return
3 or more people	one way	€ 25 / € 40 p.p.	return

These prices are quoted per person per booking for standard transfers (with other passengers but regardless of the number of other passengers in the vehicle).

The fares include 7% VAT and each customer will receive a proper receipt which can then be presented to the Inland Revenue. Payments are made to the bus driver.

As the tours are always planned 2 working days before the arrival and departure dates, bookings can be made up to 3 working days beforehand. Please make your bookings in writing (fax/e-mail), and always mention “Narayana Seminar/Congress” when doing so. Changes or cancellations made less than 2 working days before your journey (i.e. after the tours have been planned) are invariably subject to a fee.

You are welcome to request a specific time for collection before your departure; however, different departure times may make changes necessary (this offer is therefore non-binding). All participants should accordingly contact Express Drive 2 working days before their departure and ask about the final collection time (queries may also be made by e-mail).
