Foreword

It is the long and vast experience of Dr. J. D. Patil of more than 28 years as a renowned practitioner as well as a professor of Materia Medica in the field of Homeopathy that insisted him to undertake such a magnificent and laborious work.

When a person of the caliber of Dr. J.D. Patil writes a book, one waits with abated excitement at going through it. He has more than justified his reputation in writing the Group Study in Homeopathic Materia Medica. Dr. J. D. Patil in his work on Group Study in Homeopathic Materia Medica has tried to portray a multifaceted presentation embodying the glimmer witnessed by the great stalwarts in Homeopathy.

While going through the work of Dr. J. D. Patil I had an exciting and enriching experience, especially the way the topic of group study has been presented in the text book Group Study in Homeopathic Materia Medica adds a new dimension to the field of Homeopathy as a scientific system of medicine.

It has been my privilege to be the first one to go through this manuscript, the great benefit and pleasure I had in doing so will definitely be experienced and appreciated by one and all.
