## PREFACE

Since the very beginning of my medical carrier my ambition was to be clinical oriented. This makes me to work in the field of gynaecolgy. In between I got many opportunities to write on gynaecolgy related topics in various magazines and news papers.

With the intention to share my clinical experience with dear student and practitioners so I have written this book.

I hope this book will be really useful for student and practitioners.

My efforts will be endeavored if this book really serve the purpose for which it was prepared.

To the possible extent I have attempted to corelau, the application of homoeopathic drugs to gynaecological disorders in a clinical way.

Suggestion and shortcoming are welcomed from the readers.

*/ am thankful to*

- Dr.V.G.Vaidya Sir for his blessing.

## **FORWORD**

Gynaecology is a very important aspect of medicine. However, in homoeopathic medical literature, books pertaining to homoeopathic management of gynaecological problems are not readily available. Having seen number of cases in gynaecology O.P.D. and experiencing usefulness of homoeopathic medicine in such problem, Dr. Sharda has made a sincere efforts to pen down therapeutics of sizable number of gynaecological problems.

Dr Sharda completed her degree in homoeopathy from Homoeopathic Medical College , Solapur. Having worked for 5yrs in the field of gynaec. She joined Lokmanya Medical Foundations Horn. Med. College, Chinchwad, in the department of gynaecology as a lecturer and also incharge of gynaec. O.P.D.

With this practical pocket book Dr Sharda Honap has added a useful page in the literature of gynaecology therapeutics.

I on behalf of our college congratulate her whole heartedly.
