Introduction

Dr. S.C. Madan holds M.B.B.S. from Punjab University, F.R.C.S. (E.N.T.) from Great Britain and membership in Homeopathy from U.S.A.

He has extensive experience in all branches of medicine, especially in his speciality of E.N.T. He was Chief of E.N.T. department in England and Scandinavian countries. He has been practising and teaching Ear, Nose and Throat for more than thirty years.

Dr. Madan has been using homeopathic medicines in addition to allopathy, from time to time, for the last twenty years, to help the sick in special situations where allopathy was bound to fail owing to its disastrous adverse effects or when it was going to give only temporary relief, compared to permanent cure with homeopathy.

Dr. Madan is convinced that homeopathy, if properly chosen, can give miraculous results in diseases like sinusitis, bronchial asthma, arthritis and gynae diseases, where allopathy is only palliative. He has brought to bear his extensive comparative knowledge of allopathy and homeopathy to the best advantage of the patient.
