ACONITE

Rosy, chubby plethoric baby. Caused by exposure to dry cold wind or from fright. Anxiety, restlessness, tosses about in agony, fever. Retention of urine in the new born.

Is it first attack ? Is there fear of death ?

ALOE SOCOTRINA

Every mouthful of food hurries him to stool. Is there insecurity of rectum passing flatus with care ?

ALUMINA

Strains even for a soft stool. Copious acrid leucorrhoea running down thighs. Hungry for chalk, charcoal, cloves etc. Do potatoes disagree ?

AMBRA GRISA

Unable to pass for a stool even before a nurse.

AMMONIUM CARBONICUM

Nose bleed while washing face or hands in morning.

ANACARDIUM

Cursing and swearing. Warts on palms (*Nat-m.*). Do you fear as if pursued ? Is there amelioration from eating ?

ANTIMONIUM CRUDUM

Tongue coated thickly white. Horn like excrescences from the ends of fingers. Corns on sensitive soles. Child cannot bear to be touched or looked at. Finger nails grow in splits. Are you sentimental in moonlight ? Is there an aggravation from sour wine or vinegar.

ANTIMONIUM TARTARICUM

Coarse rattling of chest with inability to throw up the mucus and great prostration. Flapping of wings of nose.

APIS MELLIFICA

Stinging burning and oedema. Better from cold. Shriill cry in brain troubles. Swelling of lower eye lids. Sting of honey bee.

CINA

Does not like to be touched or looked at. Rubs his nose with the hands or on the pillows. Very hungry. Grinds his teeth during sleep.

COCCULUS INDICUS

Vertigo, headache and nausea worse by riding in a carriage or boat. Sleeplessness from nursing or night watching.

COCCUS CACTI

Whooping cough—paroxysm ending in vomiting inropy mucus hanging in long stirrings.

COFFEA CURDA

Joyful surprise. Cough and sleeplessness after measles.

COLCHICUM AUTUMNALE

Smell of cooking food nauseates.

COLOCYNTHIS

Severe colic better by bending double. Colic from fit of anger.

CONIUM MACULATUM

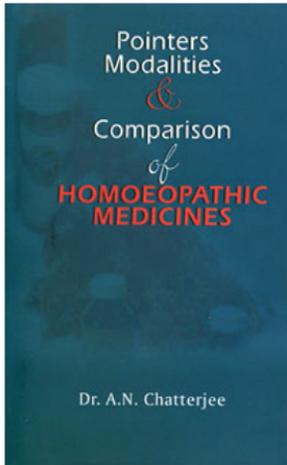

Vertigo on turning head sideways. Intermittent flow of urine. At every menstrual period, breasts become large, sore and painful aggravated by least jar. Lumps or swellings in the breast caused by blow or injury. Great indulgence in sex or excessive abstemiousness. Sweats as soon as one sleeps.

CUPRUM

Cholera, meningitis, whooping cough, convulsion etc. with cramp and spasm. Spasm begins by twitching in the fingers and toes and spreading from there becomes general. Thumbs are clenched and the fingers clamped, eyes rolled upwards. Convulsion from suppression of measles (*Zincum*).

EUPATORIUM PERFOLIATUM

Chill 7 to 9 A.M. Vomiting of bile between chill and heat. Painful soreness in back, wrists, calves etc.
